A Message from your Club President

Sept- Oct time frame - Dick Fee has agreed to conduct classes on coins. The first class will likely be on Type Coins. Thanks to the efforts of Bill Lynch, ICG Coin Grading Service has agreed to provide us with a speaker in Nov. along with the possibility of providing us a deal on grading coins. (*note from bill- ICG will be at the Nov. 10th meeting and you will be able to submit coins that night at a reduced rate, more details to come.*)

I would like to thank all the volunteers who helped make this club a great success. A very special thanks to Bernie Baxley for getting copies made and mailing out the newsletter. Also to Bill Lynch for updating and purifying the club records along with maintaining the website in a such a professional manner.

Because of non-compliance of a small group of members to the club rules and policies, including making decisions without the proper authority, has led to internal conflicts which has disrupted the efficient workings of the club. This has the potential to tear the club apart. Rather than seeing this happen I am resigning my position as President.

May the many coin collectors find success. There will be a board meeting on the 8th at 6:30 for the board members.

Regards,
Arnold Stowell
